

2011 Impact Award Winner for Philanthropic Impact Anthony "Tony" Dazio

Submitted By: Burke Construction Group, Inc.

With over 25 years of experience, Anthony Dazio is Senior Vice President of Business Development and Governmental Affairs for Burke Construction Group, Inc. A former lobbyist, Mr. Dazio was previously executive manager of Business Planning and Growth at NV Energy.

Active in the community, Mr. Dazio served two terms on the Senior Citizens Advisory Board for the City of Las Vegas and two terms on the Use of Force Board for the Las Vegas Metropolitan Police Department. In 2010, the Governor appointed Mr. Dazio as Commissioner to the Nevada Commission on Economic Development. Most recently, Mr. Dazio was recognized as a 20/20 Visionary by Nevada Business magazine.

Mr. Dazio is a past president and past chairman of Government Affairs for NAIOP Southern Nevada and continues to serve on the Government Affairs and Programs Committees. Mr. Dazio was previously honored in 2008 with NAIOP's Special Recognition Award and in 2004 as their Associate Member of the Year. Mr. Dazio currently serves on the board of trustees for the Henderson Development Association and is a member of the Las Vegas Chamber of Commerce, the Nevada Development Authority and the North Las Vegas Chamber of Commerce. Having attended UNLV, where he studied marketing, Mr. Dazio later completed the Program on Negotiation at Harvard Law School.

Especially during this period of economic uncertainty, Burke Construction Group is proud to be in the position to help the members of our community. Under Mr. Dazio's direction; Burke is dedicated to the Las Vegas Valley and feels it is important to give a helping hand to charitable organizations in need now

more than ever. Our employees participate in charitable giving all year long with food, school supply and toy drives for organizations such as “Communities in Schools”, “Helping Hands”, “Street Teens”, “HELP of Southern Nevada” and “Toys for Tots”.

IMPACT STATEMENT

Tony has always subscribed to the old adage, “If you’re not at the table, you just might be on the menu”. Rather than standing aside and waiting for the economy to improve, he has chosen to advocate on behalf of the industry and represent the development community’s best interests throughout the state. To Tony, it is all about serving the development community that has placed their trust in him to do his best.”
